

Welcome to South Bay Plastic Surgeons and the Personal Image Center!

The **Personal Image Center** is a Medical Spa owned and operated by South Bay Plastic Surgeons. This intimate affiliation of the Medical Spa and the Plastic Surgery Practice ensures that spa patients get optimal, supervised treatment. Additionally, this affiliation provides our plastic surgery patients with easy access to spa treatments that can be coordinated with your surgical care.

The Personal Image Center is staffed by a group of fully trained and licensed Physician Assistants, Aestheticians, and Nurses. We provide a variety of treatments and products 6 days a week including weekend hours on Saturdays. A brief list of the procedures and products available at the Personal Image Center is located below. Please select any items that you are interested in receiving more information about.
